Quality Work, Backed By Experience

Marble & Granite Works, Inc. has over 15 years of experience providing builders, homeowners, designers and architects with the very best granite and marble on the market. Understanding builders' time schedules and budgets, we offer a high quality product at a fast and efficient turn-around time.

Whether you are upgrading your home for a more luxurious look with granite countertops or renovating your commercial space with marble or granite tiles, we will be happy to take on your custom project and install the best natural stone materials for you. Our dedicated staff and team are always willing to go the extra mile to make sure you are satisfied with your installation.

Silestone

We are an authorized dealer for Silestone Products in the Detroit metro area. Silestone is another alternative to Granite and Marble products that consists of very durable material.

Silestone quartz is a manmade stone but has the solid and durable structure like natural stone It is a versatile product, which allows you to use it for any interior design / decoration (countertops, vanities, backsplashes, bath surrounds, kitchen surrounds, fireplace surrounds and more). Silestone products are made of non-porous material - which makes cleaning super easy! The professional and luxury look of this stone is a great option for homeowners and has numerous color combinations to choose from.

If you are interested in Silestone® products, please take a look at their website and you will be able to see the color selections that are available.

CaesarStone

We are also an authorized dealer for CaesarStone® Products in the Detroit metro area. CaesarStone® is another alternative to Granite and Marble products that consists of durable and tough material.

CaesarStone® quartz is a manmade stone but has the solid and durable structure like natural stone - it is manufactured up to 93% quartz. Like Silestone, it is a versatile product, which allows you to use it for any interior design / decoration (countertops, vanities, backsplashes, bath surrounds, kitchen surrounds, fireplace surrounds and more.
